

Karcher HD 7/12-4 M Plus

**Mobile cold-water pressure washer
for professional and industrial use.**

The HD 7/12-4 M Plus cold water high-pressure cleaner is a powerful, versatile and robust machine. Ideal for tough cleaning jobs in agriculture, construction and automotive industries, where high water flow is needed to shift dirt and debris quickly. The vertical design makes this unit highly maneuverable and easy to transport.

This unit will remove traffic film, mud, dirt and oil from most surfaces. It plugs in to any normal 240-volt, 3 pin, 13-amp socket and is equipped with powerful four pole motor. There is a built-in variable injector for applying soap.

Features

- Dirt blaster nozzle in addition to standard nozzle
- Heavy-duty three-piston pump with brass pump-head, ceramic pistons.
- Slow-running, air-cooled electric motor – runs at only 1400 revs per minute.
- Easy Lock hose connectors.
- Automatic shutdown on trigger release for low energy consumption
- 12 months warranty.

Technical Data

- Water flow 330 – 700litres per hour.
- Maximum working pressure 120bar (1700 psi)
- Maximum inlet water temperature. 60°C
- Voltage AC 220-240V/50Hz. Connected Load 3.1kW / 13 Amps
- Weight 41.3 KG
- 10 metre (30 feet) Industrial type high-pressure hose
- Trigger gun, variable pressure lance and nozzle.
